A Page From My Diary

DIARY	Date
	<i>Tuesday, 10th January</i>
<i>Yesterday the teacher of Nature Study took us to a museum. We went to the Hall of Dinosaurs'. They were great!</i>	
<i>The teacher told us to think about life 200 million years ago. We saw a film about the times when dinosaurs lived. It was interesting to learn that most dinosaurs were very big and tall, but some were very small, the size of a chicken.</i>	
<i>The museum was fun!</i>	

b) Do you think the children's visit to the museum was interesting to them? What was it interesting to see and to learn? Why?

15 Speak about your visits.

- when you last went to the theatre or to the cinema;
- what the play (film) was about;
- how you liked it there.

b) *A Visit To Another City. Say:*
