26 **Work in pairs.** Ask and answer questions. Use *of course* as in the example.

Example:

“Do you spend a lot of time outdoors when the weather is good?”

“Of course, I do. I like to play outdoors or to go for a walk when the weather is good.”

A Page From My Diary

- 27 a) Read a page from a boy's diary, then read it. Did Bob and his brother have a lot of fun in the city?

DIARY	Date
	<i>Saturday, 3rd July</i>
<i>My brother Bill and I came to the city to visit our Uncle and Aunt. Uncle Jack took us for a ride around the city. Aunt Mary gave us a lunch to eat at the zoo.</i>	
<i>From Uncle Jack's home, we went to the centre to see the most beautiful places of the city: its theatres, museums and the main streets. Then we went to the theme park where we saw many attractions. We rode on the merry-go-round and some small cars. That was lots of fun.</i>	
<i>Next Uncle Jack took us to the zoo to see the monkeys. We ate our lunch there. After lunch we walked to the river and watched the boats on it.</i>	
<i>Then Uncle Jack took us home. Bill and I were so tired that we went to sleep right after dinner.</i>	

-  b) Make a list of things the boys saw and did in the city. Then speak about the children's visit to the big city.

- PW** 28 **My Diary.** Make up a story about some interesting place in your city. Draw pictures for your story.

You may use these questions as a plan:

- Do you think it is interesting to live in the city? Why?
- What are the most interesting places in your city (town)? What can you see there?
- Have you got a favourite place in your city? What is it? Why do you like to visit it?
